## A New Rootless Jazz Chords Trick

lesson by Willie Myette

7th Chord "Block Chord" C <sup>Δ</sup> 7	Guide Tones (3rd on bottom)	Guide Tones (7th on bottom)

How to make the full rootless chord...

1

Start with your Guide Tones

2

Add a note "between" the guide tones. The 5th in this case.

3

Add a note "above" the guide tones. The 9th in this case.

4

Now you have your full rootless chord.
